I helped tend customers in the food industry with a large amount of experience working in the fast-paced kitchen environment. Ranging from a wide variety of skill usage from cutting, dicing, and customer service. Worked 4 days a week for 8 hours and was highly adaptable with any employee during my shifts as well as efficient communication with co-workers.

ICQA Warehouse_Associate

November 2020 to 2023

Amazon – Oklahoma City, OK

I regulated products entering the fulfillment center. I receive the items that come into the warehouse and receive them into the system as well as prep the product to be safely stored making it easy to retrieve and fulfill the consumer's order. My work ethic depended on how fast and efficiently I could perform these tasks to ensure the satisfaction of customers as well as solving amnesty issues and lost items.
